

Inleiding

De Georgian Guidstones volgens Wikipedia:

De Georgia Guidestones zijn grote granieten zuilen op een heuvel in Elbert County, Georgia, VS. Soms worden ze een "Amerikaans Stonehenge" genoemd. Op de granieten zuilen staat een bericht, waarin 10 hoofdpunten worden weergegeven in acht moderne talen. Het bericht bestaat uit aanwijzingen voor de overlevenden van een toekomstige apocalyps die een nieuwe en vooral betere beschaving moeten zien op te bouwen. De structuur zelf is tegelijkertijd een kompas, kalender en klok.

Over het ontstaan van het monument bestaat veel geheimzinnigheid: het is niet duidelijk wie ertoe opdracht heeft gegeven en waarom, hetgeen heeft geleid tot verschillende speculaties en samenzweringstheorieën.

Het bouwwerk is rond de zes meter hoog, en is gemaakt van zes granieten platen die meer dan 200 ton in totaal wegen. Een granieten plaat staat in het midden, daaromheen staan vier stenen gerangschikt. Een dekplaat rust op de vijf platen, die astronomisch zijn uitgelijnd. In de nabijheid bevindt zich nog een plaat, op een kleine afstand naar het westen t.o.v. het bouwwerk. Deze steen levert enkele verhelderende aantekeningen over de geschiedenis en de functie van de Guidestones. Hierop staat onder meer vermeld dat de constructie werd geplaatst op 22 maart 1980 in opdracht van een of meer onbekende personen onder het pseudoniem 'R.C. Christian'. Tot zover Wikipedia.

Kubus

Er was een kubus aangebracht in de rechterbovenhoek van een steenvan de Guidstones, waarop letters en cijfers waren aangebracht. Deze kubus is op 25 september 2014 verwijderd en aan stukken geslagen.

Over de cijfers of datum 8-14-16-20 MM JAM wordt veel nagedacht wat

deze mogelijk betekenen.

Stel dat het zo simpel zou zijn als dit..... 16-8-2014 MM JAM

Dan is MM -

- mutatis mutandis (als afkorting m.m.), wat letterlijk betekent "verander wat veranderd moet worden" en JAM -

[http://nl.wikipedia.org/wiki/Jam_\(god\)](http://nl.wikipedia.org/wiki/Jam_(god))

dus god van Chaos.....

Jam moet veranderen wat veranderd moet worden 16-8-2014..... een soort ordo ab chao.

16 aug is Nederland begonnen met het helpen/redden van de Jezidi's die een berg in Syrie waren op gevlucht.....

Geen idee of die steen het hierover heeft maar het is een bedenking waard lijkt me.....16 augustus is precies 137 dagen verwijderd van de jaarwisseling dit viel me op na het lezen van De schepping en het getal 137.

- MM kan ook wijzen naar Master Mason, en de datum kan wijzen naar 3-10-2014 volgens sommige onderzoekers.
- De symboliek van het plaatsen en weer verwijderen kan wijzen naar hetgeen over de Hoofdsteen of Hoeksteen staat geschreven in de Bijbel: Ps. 118:22, 1Petrus 2:7, of naar Daniel 2:34.

Anderen mensen dat MM wijst naar de komende Islamitische wereldverlosser, de Mahdi Militia, en JAM zou wijzen naar Jaysh Al Mahdi. De kubus kan wijzen naar Saturnus of Chronos, de god van de tijdrekening, wat een symbolische metafoor is van de voortgang aller dingen. De hologes van Apple wijzen allen naar 9 minuten over 10 uur, wat kan wijzen naar 9 oktober. 16-08-2014 zou naar een geboortedag wijzen.

In a new video released today by You Tuber copperheadrr1, we learn that on September 25th the man tasked with the upkeep of the Georgia Guidestones removed the mysterious new granite cube corner stone addition which reads 20 14. Curiously, the six-sided cube also has individual engravings on each of the other four sides which were not public facing.

In addition to the 20 and 14 which were public facing, the heavy granite cube also contains the following engravings: MM, 16, 8, JAM

So the “code” on the cube in its entirety reads: MM, 16, 20, 14, 8, JAM

New '2014' Cube REMOVED From Georgia Guide Stones – Revealing ADDITIONAL ENGRAVED CODES

Related: The Destruction of the Coded 20-14 Georgia Guidestone Block

by SGT, You Tuber copperheadrr1 & SGT Report.com:

In a new video released today by You Tuber copperheadrr1, we learn that on September 25th at the Georgia Guidestones location in Elbert County, Georgia, — the creepy monument that outlines what appears to be the agenda for a New World Order, including the directive to

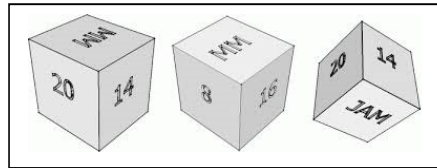

“Maintain humanity under 500,000,000 in perpetual balance with nature” — a man tasked with the upkeep of the Guidestones removed the mysterious new granite cube corner stone addition which reads 20 14.

Upon removing the six-sided cube which was added by an unknown entity sometime in 2014, it was discovered that the cube also contains individual engravings on each of the other four sides which were hidden from view.

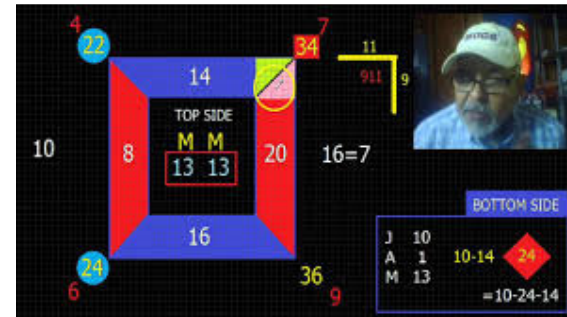

In addition to the 20 and 14 which were public facing, the heavy granite cube also contains the following engravings: MM, 16, 8, JAM

So the “code” on the cube in its entirety reads: MM, 16, 20, 14, 8, JAM

Amazingly, the Guidestones groundskeeper then examines the cube and asks onlookers, “Do you want a chip?” As the small crowd looks on he then proceeds to destroy the cube with hammer and chisel handing out pieces — an excellent metaphor/allegory for what humanity ought to do to the individual controllers of the Satanic New World Order system.

Wat de Guidstones symboliseren en de mensheid willen zeggen is voor velen raadselachtig. Dat er duistere machten werken achter de schermen, de zogenaamde Chimera (monsterlijke wezens) waren voortekens van naderend onheil, zoals natuurrampen, etc. Volgens sommigen kan het wijzen naar de zonne-uitbarstingen, of naar de activiteit van de centrale Galactische zon.

Georgia Guide Stones – Cube deciphered

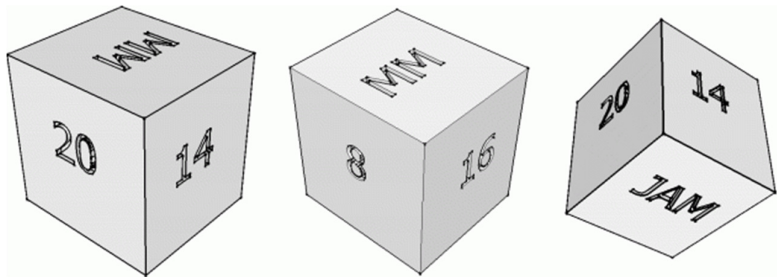

With little ceremony the stone, that was only recently inserted in the top corner of the slab with the English text on the Georgia Guide Stones, was removed again. Supposedly ‘unauthorized’, thrown down and cut to pieces. I believe however that there is a purpose to all of this as well as to the seemingly amateuristic video that showed the whole thing. Whoever filmed it made sure that we could see every side. One of the first things that catches the attention is the fact that there are other inscriptions apart from the 20 and 14 that were initially visible. We also find the numbers 8 and 16 as well as the letter combinations MM

and JAM. Before we could only read the year 2014, now if decoded, we can find an exact date.

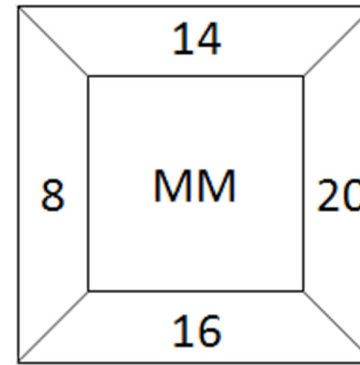

The cube was tossed down like a dice and this brought me to the idea of understanding the code. A characteristic of a dice is that the dots on opposite sides always add up to seven; 5 + 2, 3 + 4 and 6 + 1.

Likewise it is the opposite sides that match up in the '2014-Cube':

If we assume that the MM side is the top and we view it from that side we can display the four adjacent sides around it. This is the diagram we use:

Now we simply add the numbers in the opposite sides:

$$\begin{array}{rcl} 8 & + & 20 = 28 \\ 14 & + & 16 = 30 \end{array}$$

As is customary in numerology, we keep adding the digits until a single digit number is left (except for 10 which is a *pure number* and stays as it is):

$$8 + 20 = 28 \rightarrow 2 + 8 = 10$$

$$14 + 16 = 30 \rightarrow 3 + 0 = 3$$

We now derive the numbers 10 and 3.

Likewise we add the top and bottom. Here letters are used and we need to translate them to numbers.

This is easy, letters are numbered according to the alphabet (A=1, B=2, etc.) Thus:

$$\text{MM} = 13 + 13 = 1 + 3 + 1 + 3 = 8$$

$$\text{JAM} = 10 + 1 + 13 = 1 + 0 + 1 + 1 + 3 = 6$$

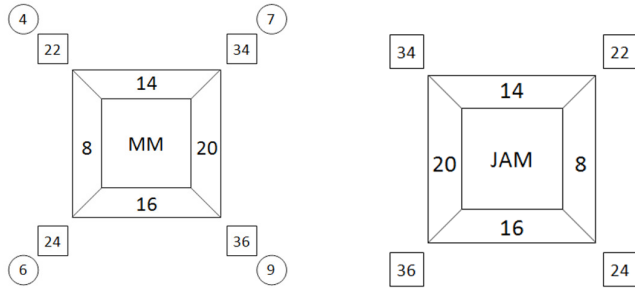

$$8 + 6 = 14$$

The three numbers we get are 10, 3 and 14. I believe a date, being **October 3, 2014** ! (March 10 is ruled out because the stone was placed after that date.)

I am not going to speculate what could happen on that date, but it is likely that it has everything to do with the (start of the) 'New World Order plan' as laid out on the Guide Stones. This is driven by dark forces and one of the things they need to do for their events to become rituals is 'reveal' them in advance (lesser magic). All this might very well be part of this lesser magic. The occult uses numerology often and this goes into

extremes. Here we see that there is much more to the coding than that which is shown above:

In the following diagram I have added the numbers in the neighboring sides and written the result in the squares on the respective corners. Again I've added the single digits and written those results in the circles. For example the 34 on the top right corner is the sum of 14 and 20. The digits 3 and 4 add up to 7:

Now we add the opposites again, but in this case diagonally (the numbers in the circles). So the 6 and 7 add up to 13. The 4 and 9 also add up to 13. The two times 13 are represented by the M and M thus showing a perfect relation between all the numbers. You might explain this away as coincidence, but I'll show you that the very same applies to the bottom side.

Since this is the reverse side, we have to use a reverse method so we will subtract instead of add. And we don't add single digits but we split up.

$$34 - 24 = 10 \rightarrow \mathbf{J}$$

$$36 - 22 = 14 \rightarrow 1 + 13 \rightarrow \mathbf{A + M}$$

The total of all the numbers and letters is 108 which can be translated in either 18 or 9. Whichever you choose, in occult numerology both are the replacement for 666 ($6 + 6 + 6 = 18$, $1 + 8 = 9$). This brings us to the deeper spiritual battle that is going on and of which this is part.

I believe the removal of the stone was very well planned as well as the filming of it. It seems almost ridiculous the way it was removed, thrown down and then cut to pieces and divided among the bystanders. The latter by the way seemed to be completely uninterested in the meaning and origin of the cube. Unrealistic. The ignorant 'sheeple' the controlling 'elite' so much desires. Just a side note: the man who removed the stone asks "who wants a chip?", this could be interpreted otherwise and may be a hint to the implantable chip which the people will probably wish for just as eagerly.

The man acts as a literally mason with his hammer, but most likely shows symbolically who is behind all this. Let's also not forget that the cube has the inscription MM (*Master Mason*). He is also kneeling on his left knee. An unnatural position for someone who is right-handed and has the stone he is chiseling in front of his foot. However it is the exact position an entered apprentice has when taking the Masonic oath. The right leg forming the square and the left hand supporting the Bible (in this case represented by the stone).

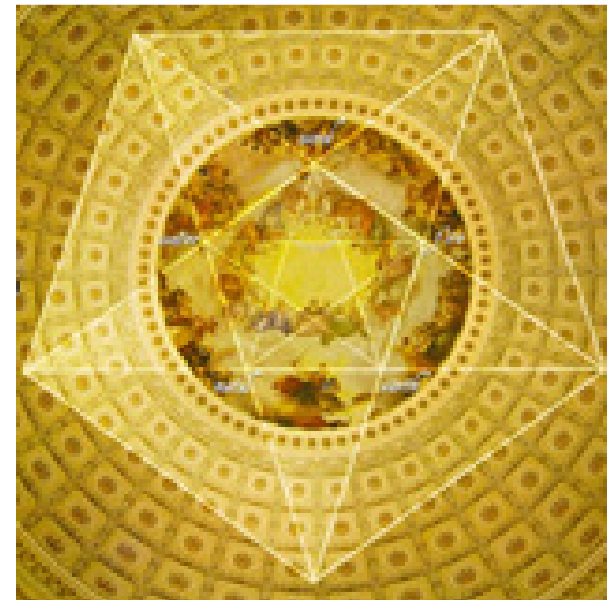

The stone was never meant to be there for a long time, just long enough to get our attention. No glue or cement had been applied, of which the man who removed the stone apparently was very well aware. He went up the ladder without tools and without hesitation lifted the stone out right away. He stated that it was unauthorized. He also mentions in the video that, quote: “we have the original piece”. Showing that he was very well aware (or present at) the removal of this original piece (and possible placing of the ‘unauthorized cornerstone’). Seems to me a very well orchestrated symbolic repetition of the rejection of the corner stone:

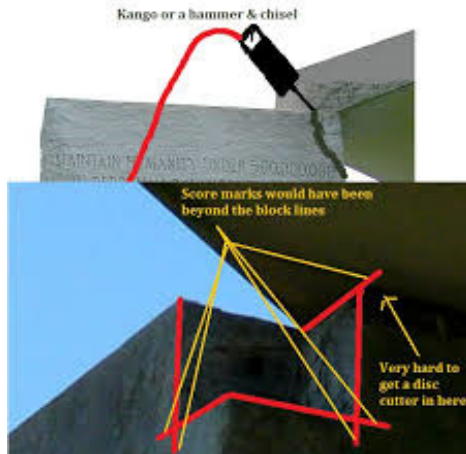

“*The stone that the builders rejected has become the cornerstone,*” (Ps 188:22 / 1 Peter 2:7). Even in some Bible translations this cornerstone has been replaced. The New International Version (NIV) renders the above verse as follows: “*The stone the builders rejected has become the **capstone***” (emphasis added). Hasn’t this been the plan all along of the

secret societies, inspired by Satan himself. To dethrone Jesus Christ, the cornerstone, and replace him with the antichrist, the capstone.

Heads up for the 3rd of October and above all, let’s keep our eyes and hearts on the true Stone. After all He will have the last word: “*Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. ... and the stone that smote the image became a great mountain, and filled the whole earth.*” (Daniel 2:34, 35b)

Sometime in August 2014 a Cube of Stone was "illegally" and "mysteriously" placed within a notch on the Georgia Guide Stones. The Cube was visible on 2 sides, which were carved with the numbers — "20" and "14".

People were busy Speculating on the meaning of this New Cube of stone and its "2014" message... Particularly because the Guide Stones are notorious for their ominous message to the World... "Humans need to be reduced to only 500 Million".

And then, on September 24, 2014 America was struck with its "first beheading" in Oklahoma. "POSSIBLY" due to a Lone Wolf "Jihadi Extremist" Named Alton Alexander Nolen aka Jah' Keem Yisrael

On THE DAY AFTER THE BEHEADING IN OKLAHOMA: September 25th, authorities removed the "illegal" Cube from the Guide Stones, thus revealing 2 more numbers: "8" and "16"

Four numbers were now known:

There has been a great buzz on internet over the discovery of a new "CUBE" that was inserted into the famed GEORGIA GUIDE STONES --- the two visible sides of the cube originally read "20" "14". The "CUBE" was just removed, and it revealed more numbers... (8 and 16) and letters... (MM) and (IAM) If read from the... "MM" letter side... the four numbers read 8-14-20-16

8/14/2016 = AUGUST 14, 2016
This is the date of "Tisha B'Av"
Tisha B'Av = "the Ninth of Av"
(Av is the 11th month)

"Tisha B'Av" = the "9th of the 11th month" (911). Tisha B'Av is regarded as the saddest day in the Jewish calendar and **a day which is destined for tragedy**. It commemorates the destruction of the **First and Second Temples in Jerusalem** and the subsequent exile of the Jews from the Land of Israel. Oddly, the **Twin Towers** were destroyed on "911". This was a symbolic reminder of the two Temples that also fell in Jerusalem on the Ninth of Av -- "911".

In the year 2016, the "Ninth of Av" (911), will occur on "August 14, 2016" which is -- "8-14-20-16"

"The Numbers on Georgia Guidestone CUBE"

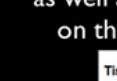

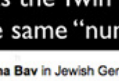

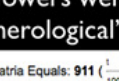

Tisha B'Av will occur on the following days of the secular calendar:

- Jewish Year 5773: sunset July 15, 2013 - nightfall July 16, 2013
- Jewish Year 5774: sunset August 4, 2014 - nightfall August 5, 2014
- Jewish Year 5775: sunset July 25, 2015 - nightfall July 26, 2015
- Jewish Year 5776: sunset August 13, 2016 - nightfall August 14, 2016
- Jewish Year 5777: sunset July 31, 2017 - nightfall August 1, 2017

(8 + 14 + 20 + 16) = August 14, 2016

The First and Second Temples in Jerusalem, as well as the Twin Towers were all destroyed on the same “numerological” date.... 9/11

WIKIPEDIA ICE BUCKET CHALLENGE SITE HACKED

Ice Bucket Challenge
From Wikipedia, the free encyclopedia
(Redirected from Corey Gentry)

"Do in the ICE BUCKET CHALLENGE"

The Ice Bucket Challenge, sometimes called the ALS Ice Bucket Challenge, is an activity involving dumping a bucket of ice water on one's head to promote awareness of the disease amyotrophic lateral sclerosis (ALS) and encourage donations to research. It went viral throughout social media during mid 2014.[1][2] In the United Kingdom, people also participate in the challenge for the Motor Neurone Disease Association.

The challenge dares nominated participants to be filmed having a bucket of ice water poured on their heads and challenging others to do the same. A common stipulation is that nominated people have 24 hours to comply or forfeit by way of a charitable financial donation.[3]

Origin

The origins of the idea of dumping cold water on one's head to raise money for charity are and have been attributed to multiple sources. From mid-2013 to early 2014, a challenge of unknown origin often called the "Cold Water Challenge" became popular on social media in and of the Northern United States. The task usually involved the option of either donating money to cancer research or having to jump into cold water.[4]

One version of the challenge, which took place in New Zealand as early as July 7, 2014, involved dousing participants with cold water and then donating to a charity; for example, the Auckland Division of the Cancer Society of New Zealand.[5] As with similar challenges, it was usually filmed so footage can be shared online.

The National Fallen Firefighters Foundation popularized the "Cold Water Challenge" in early 2014 to raise funds as an unadvertised spin-off of the prior plunge most widely used by former Olympians as a fundraiser.[6] On May 20, 2014 the Washington Township, New Jersey fire department posted a video on YouTube participating in the "Cold Water Challenge" with fire hoses. Participating members of the department were subsequently punished for using fire department equipment without permission.[7]

Shifting focus to ALS

The challenge first received increased media attention in the United States on June 30, 2014, when personalities of the program *Morning Drive*, which airs weekdays on *Golf Channel*, televised the social-media phenomenon, and performed a live, on-air Ice Bucket Challenge.[8] Soon after, the challenge was brought to mainstream audiences when television anchor Katie Couric did the Ice Bucket Challenge on July 13, 2014 on NBC's *The Today Show* at Greg Norman's request.[9][10] On the same day, golfer Chris Kennedy did the challenge and then challenged his cousin Jeanette Sanchez of Pelham, New York, whose husband, Anthony, has had ALS for 11 years. A day later she did the challenge while her 6-year-old daughter

Who in the Government got ICED to the 32nd degree?

President Barack Obama has not accepted the ice bucket challenge. A number of celebrities, including Justin Bieber, nominated the President of the United States to have a bucket of ice water tipped over his head, but he had decided to "chicken out." However, he has stated that he will donate money to the cause.

It was not likely all out of choice, though. President Obama was not allowed to accept the ice bucket challenge after a telegram went out to all officials banning them from taking part. None of the U.S. ambassadors are allowed to take part, although one did before the ban was implemented. U.S. Ambassador for Israel Daniel Shapiro took the challenge and nominated U.N. Ambassador Samantha Power.
